### MAY REBUILD RICHMOND PLANT

Possibility that the Richmond refinery of the Standard Oil company may be completely rebuilt during the next few years was seen yesterday in a report from New York that a new method of refining gasoline has been perfected.

According to the report, the Standard Oil company of New Jersey has discovered a new process whereby gasoline extraction of 100 percent by weight and a slightly greater amount by volume from crude oil so heavy that it yields no gasoline when put through the process now used by refiners.

Hydrogenation plants are being erected at Bayway, N. J., Baton Rouge, La., and Baytown, Texas.

During the next few years it is expected that work will be started at the local refinery on installation of the new equipment.

Despite the fact that the substitution of refinery equipment may be somewhat gradual the effect upon the supplies of storage gasoline will undoubtedly be noticeable at an early date, it is expected.

When the process is fully exploited, it will have the effect of increasing the production of gasoline about 40 percent with no increase in the amount of crude oil produced.

### CITY ORDERS STREET WORK

A number of street improvement matters were taken up and disposed of at the meeting of the city council last night.

Plans and specifications for the improvement of Lincoln avenue, from Twenty-third to Twenty-ninth, Twenty-fourth street from McBryde to Downer avenue, and Twenty-sixth and Twenty-eighth streets, one half block on either side of Lincoln, were ordered prepared.

The improvement will consist of four inches of broken rock and a wearing surface of three inches of Durite.

Councilman W. W. Scott, the chairman of the street committee recommended that street opening and widening proceedings for Pennsylvania avenue from Twenty-third to Twenty-fifth be started. Similar action was recommended in the matter of the extension of Parham boulevard. This new work will provide a second direct thoroughfare out of Richmond and through the Annex district.

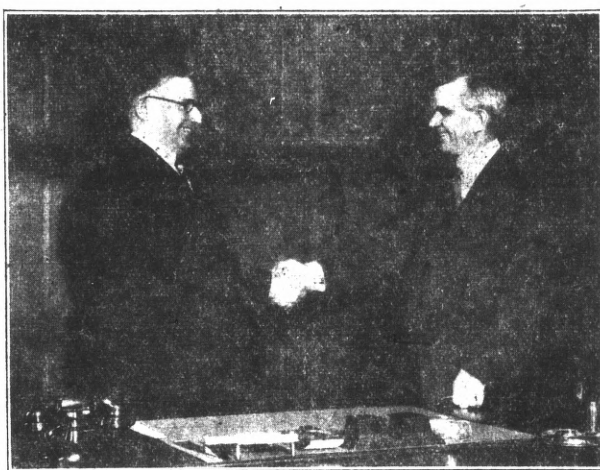

City Engineer E. A. Hoffman was instructed to prepare the plans for the new work.

### Undertaking Parlor Permit Denied By Richmond Council

At the meeting of the city council last night the city planning commission recommended that the application of Charles Ryan for a permit to erect an undertaking parlor on E. 23rd street, between Macdonald and Bissell avenue be denied.

Ryan, through Wallace Snelgrove then filed an application for a permit for an undertaking parlor at the corner of Twenty-ninth street and Nevin avenue. This was referred to the city planning commission.

### Come On Over

F. D. PARR (left) inviting Paul Shoup, president of the Southern Pacific company to the Chamber of Commerce dinner, Aug. 6.

### INDUSTRIAL LEADERS TO ATTEND C. C. BANQUET

Invitations for the dinner, which will commemorate the completion of the new Parr-Richmond terminal on the inner harbor, and the twenty-fourth birthday of the city of Richmond, have been placed in the mail, according to J. F. Brooks, chairman of the dinner committee.

The dinner will be held at the Berkeley country club Aug. 6. Executive in many lines of industry throughout northern California have been invited to attend the dinner.

P. M. Sanford, president of the Richmond chamber of commerce will act as toastmaster. "The city of Richmond was incorporated Aug. 7, 1905. It will reach its twenty-fourth anniversary Aug. 6, 1929. On the evening of the latter date there will be held at the Berkeley country club, under the direction of the chamber of commerce, a formal dinner where the achievements of the past will be reviewed and attention will be drawn to the outstanding event of today, the completion of the new Parr-Richmond terminal on the inner harbor."

### Will Of Princess Hatzfeld Probed

LONDON, July 29.—(U.P.)—United States Vice Consul William N. Carroll, today opened a secret investigation into the will of the late Princess Hatzfeldt, taking evidence which will be forwarded to New York for presentation in surrogate court.

The will of the princess, who was the former Clare Prentice, adopted daughter of Collis P. Huntington, is being contested in New York by Whitman Prentice of San Francisco, a nephew of the princess.

Special precautions were taken here to prevent the identity of witnesses in the investigation becoming known. Cross examination of witnesses was conducted by the American attorneys, Gilbert Kennedy and Guedes Jacobson.

The principal legatees named in the will are Commander Claude Philippe de Crespien and Henry Beauchamp Harrison.

SOZAS RETURN  
Mr. and Mrs. C. R. Souza returned yesterday from their vacation tour, spent in the central part of the state.

### PLANS FOR 43 NEW LIGHTS ADOPTED

Twenty-third street from Macdonald avenue to the northerly city limits is to be made a great white way. This was decided upon by the city council at its meeting last night without a dissenting vote.

The great majority of the property owners asked for the improvement and the council decided to grant what was asked for.

Plans and specifications for the work, and a resolution of intention was adopted.

There will be 43 electroliers on the street each containing two lights of 600 candle power. The lights will be placed alternately on each side of the thoroughfare and will be on an average of about 140 feet apart.

### Hamilton Lauds Management Of Hotel Carquinez

Complete satisfaction in the present condition of the Hotel Carquinez was expressed last night by Sen. Charles B. Hamilton, president of the Hamilton chain of hotels, at an informal meeting of the directors of the local hostelry.

Senator Hamilton's visit to Richmond is the second within a week for the purpose of personally looking after the interests of the Hotel Carquinez.

He praised the work of Mr. and Mrs. John Callahan, resident managers of the hotel, and expressed pleasure at the quickness with which they have become acquainted with the needs of the patrons.

### Girl Killed In Freak Accident

SALINAS, July 29.—UP—Thrown from the auto in which she was riding by a collision with another machine and then run over by the wheels of the automobile that struck her, Edith May Lench, daughter of A. D. Lench of Frankfort, Ill., was killed here today.

The girl and her parents were in an automobile driven by Claude Fulton. The driver of the other car, Segundo Blanco was taken into custody.

### North Dakotans Visit Richmond

F. W. Kulka and Jerome Freeman of Fargo N. D. who are touring northern California with Sen. Charles B. Hamilton, president of the Hamilton chain of hotels, registered at the Hotel Carquinez yesterday. Kulka and Freeman are planning to enter business in the bay district.

### Arizona Journalist On Richmond Visit

Lyle Abbott, for many years city editor of the Prescott, Ariz. Journal-Miner and now with the International News Service at Los Angeles, made a call at the Record-Herald office last evening.

### Stimson, Hoover To Be Decorated

LIMA, Peru, July 29.—UP—The Peruvian decoration, order of the son, on July 23, to the wife of Sen. Hoover and American Secretary of State, H. H. Stimson, yesterday.

### NATATORIUM PAYING OWN WAY, \$8741 PROFIT MADE

City Manager J. A. McVittie filed a very detailed report with the city council last night covering the operation of the municipal natatorium from the time it opened March 29, 1926 up to June 29, 1929.

The receipts for the 40 months amount to \$158,721, and the expenses \$149,989.61, leaving a net profit for the period of \$8,731.39. The receipts accrued from the following sources: Admissions \$152,378.65; caps \$5,706.40; ear stoppers \$361; water wines \$216 and miscellaneous \$65.95.

The actual operating expenses amount to \$101,855.79 and to make the expenditures complete should be added the maintenance of \$22,133.82; bond interest of \$16,000 and bond redemption of \$10,000.

Maintenance costs are made up of the following items: painting \$14,567.28; repairs \$1,979.10; equipment repairs \$5,228.40 and furniture and fixture repairs \$359.04. In the report is set out the original cost of the natatorium (Continued on Page 8)

### 13 COUPLES IN DANCE CONTEST

With 13 1-2 couples remaining the 76th hour of the El Cerrito Marathon dance passed at midnight last night with the entrants determined to better her record of the St. Louis Robin.

Sunday couple No. 6 was eliminated, Martha Bloom, of Berkeley dropped out at six o'clock Sunday morning. Her partner, Carl Hansen, soled until six o'clock Sunday night before he was eliminated.

Last night Julia Presswood of Berkeley dropped out and her partner, Mickey Britton started to solo.

### Whoops My Dear; He'll Roll It

TEXAS CITY, Tex., July 29.—UP—Come now H. E. Williams who plans to make real whoopee all the way from here to Broadway. Pushing a 14-inch hoop in front of him Williams expects to roll into New York some time after the St. Louis flower crown.

### Nevin, San Pablo Gas Permit Asked

Y. Nelson and H. Holmblad of Crocker made application to the city council last night for a permit to erect an ornate service station at the corner of San Pablo and Nevin avenue.

### Paving Bonds For Tenth Street Issued

Bonds were ordered issued by the city council at its meeting last night in payment of the work of grading Tenth street south.

### BIRTH REGISTERED

The birth of Bernard C. Johnson, on July 23, to the wife of Mr. W. Johnson, was recorded at the City Health department yesterday.

### Anita Whitney Will Face Hearing Today

SAN FRANCISCO, July 29.—(U.P.)—Arrangement of Charlotte Anita Whitney and nine companions on charges of parading with banners "against organized government" were not made against the ten women and disturbance of the persons "until police learned 1 peace" was continued until Tuesday.

After their request for such playing banners against organized government was denied by the police court last night, Anita Whitney, who was sentenced to San Quentin state prison for criminal syndicalism, was among them.

Convicted on a charge of dissection in police court last night, Anita Whitney, who was sentenced to San Quentin state prison for criminal syndicalism, was among them.

### Three Held In Raid On Richmond Home

MARTINEZ, July 29.—Five of the liquor offenders were arrested in two raids conducted by Clyde Laird, county probation officer, and a squad of men from a San Francisco detective agency.

In an alleged liquor establishment in north Richmond, Los Angeles, Morris and Ruth Kelly were arrested. Morris's bail was set at \$500 by Justice of the peace.

### Zeppelin Ready For U.S. Hop Thursday

FRIEDRICHSHAFEN, Germany, July 29.—UP—The dirigible Graf Zeppelin will start its flight to the United States probably Thursday, the Zeppelin works announced tonight. An earlier decision to depart Wednesday morning was cancelled because a number of passengers would not arrive in time.

The announcement set no definite hour, saying that the ship would not leave "before Thursday morning."

The flight will be to Lakehurst, N. J., preliminary to a flight around the world.

About 20 passengers are scheduled to make the flight. A large cargo of mail is being taken aboard the dirigible, and a girl, assigned to Chicago, probably will be taken.

### Napa Funeral Today For Victim Of Bay

Funeral services will be held in Napa this afternoon at two p. m. with interment at Yountville, where Frank was buried. The body was found by Frank Davis, owner of a boat house, who searched the bay with a pike pole. The fire department initial search was called after 45 minutes, the boy was pronounced beyond hope of recovery.

Authorities expressed belief the boy fell into a slough while playing on the bank. He was unable to swim.

### Expectant Mother Gets Prison Term

LOS ANGELES, July 29.—UP—Despite the fact that she is soon to become a mother, a 22 year old wife who is already a step-mother to six young children today was sentenced to serve from one to five years in San Quentin prison.

Prominent clubwomen and probation officers were expected to protest against the sentence given Mrs. Thelma Holland by Superior Judge Emmett Wilson at the conclusion of her trial on possession of a still.

### P. R. Milnes Of San Diego Visits

P. R. Milnes, of San Diego, brother of G. E. Milnes of the Record-Herald is a visitor in Richmond.

### MISS LANG RETURNS

Miss Helen Lang is back home after having spent a week at the request of her uncle and aunt, Mr. and Mrs. C. F. Lang, in Monterey, up to Oregon and back.

### CRASH FEARS VOICED BY BACKERS

ST. LOUIS, July 30.—(U.P.)—The St. Louis Robin, endurance plane piloted by Dale Jackson and Forrest O'Brien, passed its 401st hour in the air at 12:17 a. m. today.

Shortly before the 400th hour mark was established at 11:17 a. m. last night a message was sent up to the fliers asking them if they did not think it was advisable to come down. This question was taken because two of the leaders of the Robin's motor had started leaking badly and it was feared there might be a crash if the engine stopped suddenly at night.

So far no answer has been received from the message and at the 401st hour mark the fliers continued circling slowly about the field without showing any indications of a change in their plans to "make it 500 hours or bust."

### Two Killed In Airplane Crash

BLACKJACK, Mo., July 29.—(U.P.)—George Lee Lambert, 22, one of the foremost figures in St. Louis aviation circles, and Harold, 18, of New York, were killed today when their Eagle Roadster plane crashed near here.

The accident occurred about seven miles from Lambert-St. Louis field, where Sunday Lambert had thrilled the crowds watching the endurance flight by racing his plane around a pylon at an altitude of 15 feet.

Young Lambert is the son of Major Albert Bond Lambert, donor of the world which bears his name. He entered on Hoffman flight July 6. He resided at 29 W. 103rd street, New York city.

### Giannini Reveals Trust Firm Deal

LOS ANGELES, July 29.—UP—Local officers of financial firms controlled by A. P. Giannini announced today receipt of a telegram from Giannini, who is in New York, revealing formation of a \$500,000 investment trust firm by the Bank of America-Blair corporation.

Details of the new organization will be announced in a day or two, the telegram said. Reports that E. R. Tinker, prominent financier, will head the new company, could not be confirmed.

### Proposed Auto Law Continued

The proposed ordinance that has been asked for by the auto dealers of the city, was continued for one week by the city council at its meeting last night. Leo Marcollo, the attorney for the dealers, requested the continuance on account of sickness.

### CUMMINGS BACK

Mr. and Mrs. C. E. Cummings of 516 Eleventh street have returned from an enjoyable motor trip up to Oregon and back.

## What Society Is Wearing

Mrs. TIFFANY SAPORTAS SELECTS A GAY PRINT FOR HER BEACH FROCK.

Quaint Printed Crepe Is Sported in Newport by Mrs. Saportas

By HELEN WORDEN

Copyright Press Publishing Co. (New York World) 1929

The quaint printed crepe worn by Mrs. Tiffany Saportas at Newport is patterned by tiny star-like flowers. The frock, which is one piece and cut with long, close fitting sleeves, boasts a wide sailor collar and flowing ribbon ties of the same material.

The full skirt is attached to the bodice by a closely fitted hip yoke.

For accessories, Mrs. Saportas has chosen a wide brimmed straw hat trimmed with a two toned silk ribbon, a light kid pouch bag, nude silk stockings and plain kid pumps.

Mrs. Saportas spends much of her time at Bailey's Beach, usually arriving about 11 o'clock and remaining until the middle of the afternoon. She is pictured in the accompanying photograph enroute to the popular bathing spot, carrying a zipper bag full of bathing paraphernalia.

Like many of the colonists, Mrs. Saportas frequently brings a large gay straw hamper full of delicious food for informal lunches on the beach. It is the custom to eat beneath the bright umbrellas that dot the white sands, clad in one's bathing costume, a pleasant form of relaxation that is indulged in by many.

## ECLIPSE LODGE IN PLANS FOR INITIATION

Eclipse lodge of Odd Fellows will confer the second degree on a class of candidates Monday, according to plans made last night in Odd Fellows hall. Following the ceremony, a banquet will be served. The committee in charge of arrangements is composed of Grant Howard, H. R. David and Emory Booth.

J. H. Thorn, noble grand, presided over a business session during which reports on the picnic held by the Rodeo Friendship club at Clacy's ranch, Sunday were delivered.

## Yeomen In Plans For State Meet

Members of Richmond homestead of Yeomen last night in Woodmen hall made plans to attend the encampment of Yeomen homesteads near San Jose, Aug. 31 to Sept. 2. Northern California homesteads will take part in the celebration.

Drill practice was held following the business session and a watermelon "feed" was served by a committee composed of Mrs. William Carpenter, Mrs. Mattie Creery and Mrs. Janet Hayward.

## Angelina Locati, Antonio Pagliero Wed In El Cerrito

St. John's Catholic church in El Cerrito was the setting recently for the marriage of two young people prominent in the Italian colony of this vicinity. Miss Angelina Locati, daughter of Mr. and Mrs. Galileo Locati of the second street, became the bride of Antonio Pagliero, son of John Pagliero, owner of the Technical Porcelain and China ware company of El Cerrito.

The wedding was one of the largest held in recent months the reception following the ceremony was attended by close to 500 friends and relatives of the young people.

The bride was attended by Angelina and Mary Pagliero, cousins of the bridegroom, Joseph Locati, the bride's brother, was the best man and Arthur Pagliero, a brother of the bridegroom was also an attendant. Emily Cometta and Mary Masolo were the flower girls.

Among those attending the wedding service besides parents of the bride and bridegroom, were Mr. and Mrs. M. Pagliero uncle and aunt of the bridegroom, and Mrs. L. Casolo and Mr. and Mrs. L. Nipoti of Ripon; Mr. and Mrs. V. Cometta and S. Caralini of Albany; Mr. and Mrs. P. Misaglia and son, Charles, Dr. and Mrs. V. DeNegri of San Francisco; Mr. and Mrs. Noras Conti and P. Franchioni of Alameda; Mr. and Mrs. X. Firenze of San Francisco; Mr. and Mrs. R. Gilmore and baby daughter; Mr. and Mrs. R. Masso and family of San Pablo; Mr. and Mrs. D. Deluc of Piedmont; Mr. and Mrs. Azzola of El Cerrito; Carl Brooks, J. E. Deasy, H. Cramer, George Wood and many others.

A. Molala and Ed. Brignoli of Berkeley furnished the music at the reception, banquet and dance which followed the wedding.

Mr. and Mrs. Antonio Pagliero are now on their honeymoon trip which will take them as far north as Vancouver, British Columbia. On the way they will make stops at Portland, and Seattle.

Upon their return they will make their new home at 1115 Brighton avenue, El Cerrito. The bridegroom is connected in the manufacture of porcelain and china ware with his father. His family is well known in Richmond, and he and his bride are very popular among the young people.

## Bell Glenn Mecca Of Richmond Group

Mr. and Mrs. P. A. Tronzo recently, Mr. and Mrs. J. M. Thompson and grandson Mr. and Mrs. C. Hecker formed a party who will vacation together for the next two weeks at Bell Glenn in Mendocino county.

They left recently in their machines with camping and fishing equipment. They will also be accompanied by C. D. Bentley formerly of Richmond, Miss Thelma Hecker and Miss Mary Gilmore will join them later.

## FORMER LOCAL MAN CLAIMS BRIDE AT RENO

Announcement of the elopement of Charles H. Ipsen, Berkeley policeman, with Miss Dorothy Welch, chief aide in the city auditor's office in Berkeley, to Reno on July 29, was received yesterday.

Ipsen was employed at the Standard Oil refinery here for a number of years. For some time he acted as an undercover agent for the district attorney's office in Contra Costa county.

Later Ipsen was named as a patrolman on the Berkeley police department. Here he met Miss Welch.

Ipsen and his bride enjoyed a brief honeymoon at Lake Tahoe. They will make their home in Berkeley.

## Noble Grand Group Arranges Plans For Whist Party

A social game of whist was enjoyed by the members of the Past Noble Grands association, following a business session last night in Odd Fellows hall. Plans were made for a food sale to be held in August.

Refreshments were served by a committee composed of Mrs. Kate Cole, Mr. May Solomon and Mrs. Minnie Damon. Members of Eclipse lodge of Odd Fellows were guests.

A benefit whist party, open to the public, will be held by the association tonight in Odd Fellows hall.

Those receiving prizes for whist were J. J. Silva, Mrs. Silva, Mrs. Carrie Biley, E. Howsman and Mrs. Rodas.

## Beaches Visited By E. T. Woods

The beaches of southern California, Mexico's new resort, Acapulco, Catalina island, and the city of Los Angeles were some of the places visited during the two weeks by Mr. and Mrs. E. T. Woods of Pennsylvania avenue. They report that there was some unusual warm weather, but they thoroughly enjoyed their vacation trip.

## El Cerrito Vets Auxiliary In Plans For Whist

The newly formed auxiliary to El Cerrito post of American Legion is making plan for a whist party to be held next Thursday evening at Schwaik's hall. This will be the first of a series of events to be given by the auxiliary. Many valuable prizes have been arranged for.

## Odell Family Back From Lake

Mrs. C. A. Odell and her two daughters, Elizabeth and Lois, are back at their home on Santa Fe avenue from a six weeks vacation spent at Clear Lake Oaks where they had a cottage. Archer, a son of Police Judge and Mrs. Odell, will remain there for a week or so yet. Judge Odell moved up to bring them home.

## Mrs. James Bly Back From Ranch

Mrs. James Bly of West Side is back from their ranch near Oakdale, where she has spent the past month. While there Bly also visited the ranch for two weeks. Her daughter, Mrs. Ethel Cothingham, and daughter and a friend, Miss Dorothy Knight stopped for a few days, and took Mrs. Bly with them on a short trip to Yosemite valley.

## 16 STRIKERS TO BE TRIED FOR MURDER

GASTONIA, N. C., July 29 (AP)—The first legal battle of the dramatic and colorful trial of 23 men and women textile strikers and their leaders was enacted in Gastonia superior court today, when 16 of the defendants were indicted and arraigned on charges of murder, to which pleas of not guilty were entered.

Moving with almost startling swiftness, the hand of the law reached forth in an effort to avenge the death of Chief of Police O. E. Abernethy, who last month fell before a fusillade of bullets as he and a number of deputies attempted to disperse a mass meeting of strikers.

In less than an hour after Judge Barnhill had charged the grand jury that body had returned with true bills against three women and 13 men, all but one of whom had been held without bail charged with murder. The indictment charged the defendants with conspiracy to murder, but it was so worded that it was possible for the state to seek conviction for first degree murder. It is expected that seven other defendants at present free on \$750 bail each will be indicted or exonerated by the grand jury Tuesday.

Following arraignment of the defendants this afternoon, the defense council launched an attempt to secure a change of venue, claiming that a fair trial was impossible.

Arguments on the motion will be continued when court reconvenes Tuesday morning.

## DE MOLAY IN PLANS FOR INSTALLATION

Arrangements for the public installation of officers for the Richmond chapter of DeMolay are being made by the local chapter. The installation will be held Aug. 22, in the Masonic hall and will be open to the public.

William J. Eden, Jr., state president of the DeMolay, will be one of the speakers. Dr. W. F. Fraser of Richmond, an official of the Aahmes temple of Shriners, will also talk.

A program is being arranged for the evening. Willard Spersch will be master of ceremonies.

## LOCAL PASTOR WILL CLAIM BRIDE SOON

Announcement of the engagement of Miss Polly Preston, of Central Falls, R. I., to Rev. Kenneth Wallace, pastor of the First Baptist church here, was received yesterday.

Miss Preston is the daughter of Mr. and Mrs. Christopher Preston, of Central Falls.

Rev. Wallace was formerly pastor of the Valley Falls, R. I., Baptist church and came here July 1, to fill the vacancy created by the resignation of Rev. Weldon M. Wilson.

No date for the marriage has been set.

## CHANEY FILM HELD HAPPY MEDIUM

Some say that Lon Chaney is at his best in a drama of sinister shadows, of strange revenge and fantastic disaster, others like best his dramas of adventure.

In "Where East Is East" his new Metro-Goldwyn-Mayer drama, which opens today at the Fox-California theater with sound synchronization, Chaney has struck a happy medium. He wears a strange disguise, it is true, but mingling adventure and thrills with what finally turns out to be one of the strangest and most compelling situations ever seen in a play, he is an adventure, a bit of swashbuckler; then, when faced by a terrible choice, he becomes the most deadly of menaces. "Where East Is East" is something decidedly new in entertainment, and, possibly one of the greatest achievements in the career of the character star.

When the play opens, Chaney appears as an adventurous traveler of wild beasts in a Siamese jungle, a former circus animal tamer. There are thrilling adventures in the wilderness. He traps savage tigers and rides at the head of a herd of elephants. His grim struggle with an escaped tiger is one of the most thrilling animal scenes ever filmed. This is injected something into the plot more dangerous even than his wild ride, the conflict of life and human emotions. Faced with the alternative of taking human life or sacrificing his daughter's happiness, he is confronted with the grimness of problems, and the solution makes the most astounding of dramatic climaxes.

Also on the bill is Our Gang in their first all-talking comedy "Small Talk."

## CANNIBALISM IN KANSU CHINA REPORTED

PEKING, China, July 29.—UP.—The international famine relief commission asserted tonight that 15 foreign missionaries and prelates have died in the Kansu province area in the last six weeks and that an estimated total of 40,000,000 persons were on the verge of starvation in the whole of China.

The missionaries and prelates, all of whom were Americans, British or French died of typhus.

The report said that cannibalism is rampant in Kansu province which has suffered probably most severely in the famine. Schensi province reports have been virtually as terrible as those from Kansu.

All famine relief investigators, missionaries, foreign businessmen in the interior and others have agreed that the famine this year is worse than any other disaster in the last century.

The mission boards report that several of their workers, both Chinese and foreigners have literally lost their minds because of the dreadful condition in the worst afflicted areas.

## Nebraska Boy Has Perfect School Record

EVING, Neb.—The school attendance records of Howard Lee, a senior, and Ralph Lee, a junior, in the Eving high school, are exemplary. Howard has a perfect record, having been neither absent nor tardy during the twelve years of his school life. Ralph has been absent but one time. That was when he was unable to enter the seventh grade until 11 days after school began, because of a deep cut on his leg, received from a wire while swimming.

## 4 FELONS FLEE IN PRISON MUTINY

AUBURN, N. Y., July 29.—(UP)—Howling and hissing at their guards and shouting angry demands for food, the 1700 convicts who staged New York's worst prison mutiny remained sulen and defiant within their crowded quarters tonight as officials tried to restore normalcy to the fire-swept institution.

Only four of the hundreds who had expected to gain their freedom by setting fire to the prison and overpowering the guards, remained at large, and the frustration of the plan to effect a wholesale escape left the convicts in an ugly mood.

Warden E. S. Jennings said after a preliminary investigation of the riot, that outside aid had made possible the outbreak.

**Trusty Blamed**  
"A revolver obtained by one of the trustees fired the shot that started the mutiny," the warden said. "The trustee also had obtained acid or ammonia which he threw in the guard's face, blinding him."

The guard referred to is Merle Osborne, who was stationed in the administration building during the recreation hour. He and Capt. Thomas J. Wallace, assistant principal keeper, were overpowered by the trusty and a group of fellow convicts who followed him.

**Machine Guns**  
Seizing keys to the arsenal, they armed themselves and other prisoners with rifles, revolvers and machine guns, with which they fought the guards for hours while other convicts were applying torches to the work-hops which lined the prison grounds.

"For a year," Warden Jennings said, "there has been tension in the prison due I think to overcrowding, coupled with long sentences."

"After the Dannemora riot last Monday, the nervous tension increased noticeably. I believe the long timers simply took advantage of conditions here."

**\$250,000 Damages**  
An inventory today placed the damage to the penitentiary at about \$250,000. Two thirds of the prison shops were destroyed and the remaining third damaged by water or convict sabotage. The death toll remained at two, both convicts. Four other convicts were in the prison hospital suffering from bullet wounds, but none was in a serious condition.

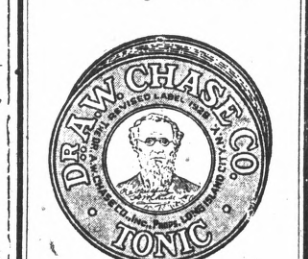

Several guards and firemen were being treated for minor injuries, only one, Eugene Fasce, a wall guard, was wounded dangerously.

The four men who escaped are Arthur J. Barry, convicted for a \$90,000 jewel robbery at the home of Jesse Livermore, financier at Sands Point, L. I., more than two years ago; George Small, 32, serving a 12 year robbery term; Stephen Pawlak, serving a life term as a fourth offender, and Joseph Capricio, 20, serving a 20 year robbery sentence.

Troopers and police possess in the state were searching for the men tonight.

## Equity Suit Against Film Star Delayed

LOS ANGELES, July 29.—UP—Action in Actor's Equity association's first legal move to force the closed shop into Hollywood film studios, a suit against Warner Bros. Inc. and "Tully Marshall" was delayed today when the defense obtained a continuance until Aug. 12.

Marshall, a well known character actor, was to have shown cause why the court should not issue an injunction preventing him from working for Warner Bros. The film company also had been called to show on Aug. 12 why it should not be enjoined from employing Marshall.

The continuance was granted to enable Marshall and Warner Bros. to file answer to Equity's amended complaint in its \$1,000,000 damage suit against them.

The injunctions are incidental to the suit, which charges that Warner Brothers conspired to have Marshall violate his equity contract.

Equity makes the unique claim that Marshall's membership in Equity constitutes a contract and that a breach of that contract was committed when Marshall signed a Warner Bros. agreement. Warner Bros. and other major film companies have refused to adopt the equity approved contract specifying a 48-hour week and all-equity casts, a form which Equity has specified for its members.

## COLOMBIA WILL FIGHT RED UPRISING

BOGOTA, Colombia, July 29.—UP.—The government took action tonight to end Communist uprisings which broke out suddenly in two sections of the country over the week-end and continue this morning, resulting in battle with police and soldiers.

Casualties totaled at least 12 dead and 22 injured, according to an official announcement.

Uprisings occurred at La Gomez station on the Puerto Wilches railway Saturday and at Libano, in the department of Tolima, on Sunday. The fighting was renewed at Libano today. The towns of San Vicente and Chucuri, near La Gomez, which is in Santander department, also were the scenes of fighting.

### Troops Used

Last reports from Libano said police and troops were subduing the outbreak but indicated that there was still considerable difficulty. Details were lacking.

Agitators under leadership of Benigno Archibiegas, attacked police at La Gomez station with revolvers and clubs. They attempted to loot the dynamite stores after killing Luis Umama Rivas, chief engineer, and other railway employees. Later they besieged the police barracks but were repulsed and the police aided by troops, overcame the rebellion.

Bombs were exploded when the Communist outbreak started at Libano. Police attacked the rioters.

### Eight Dead

The police report of casualties said that eight were dead and ten injured at La Gomez, San Vicente and Chucuri. Four were killed and 12 injured in fighting at Libano this morning. Thirty Communists were arrested at Puerto Wilches and held aboard the gunboat Colombia in the Magdalena river.

The cabinet, which met in extraordinary session to consider defensive measures, appeared confident that the uprising will be put down, President Miguel Abadía Méndez conferred with the ministers.

Later Cabal Pöhbo, minister of war, told the United Press: "The government is fully capable of guaranteeing the public interest and preserving order, but it is most significant that the movements were simultaneous in two distant points."

The minister did not enlarge on the indication that the government believes the outbreaks were part of a general revolutionary plot.

## Army Bombers To Visit Coast

WASHINGTON, July 29.—UP.—Eight new bombing planes comprising the second bombardment squadron will leave Langley field early in August for a tactical flight to the Pacific coast and back, under command of Maj. Hugh J. Knerr of the Army Air Corps, the War Department announced today.

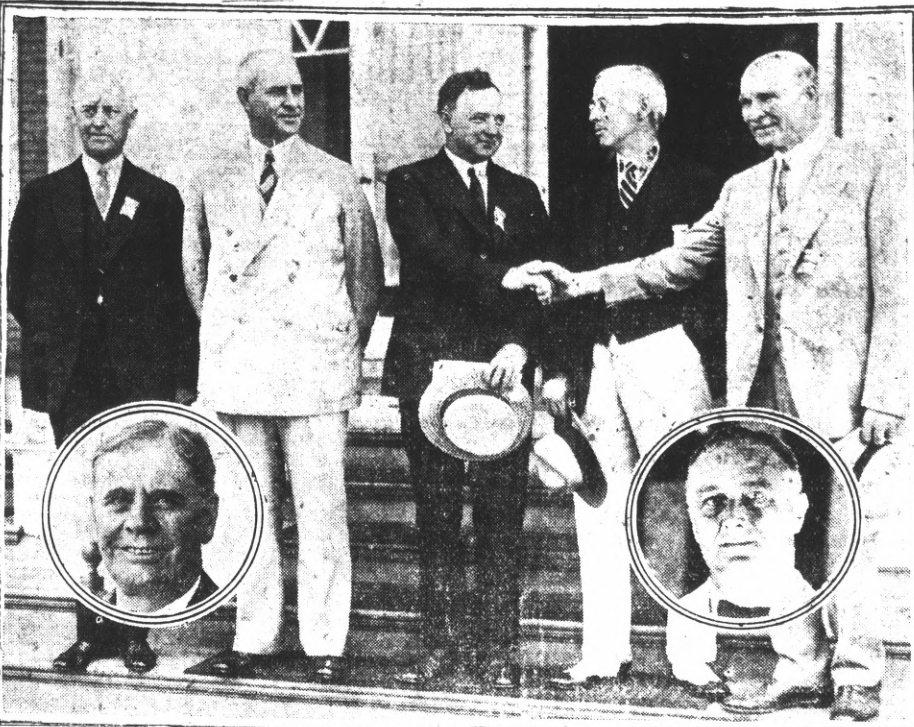

The planes are two-engine bombers with air cooled engines, capable of carrying bombs weighing over 2000 pounds. The trip west will be by way of Scott field, Ill., to Amarillo, Tex., and thence to San Diego, with a trip to Oakland and then back by way of Salt Lake City, Cheyenne, Denver, Kansas City, Dayton and Cleveland.

The date for the flight has not been set. It will take about ten days.

### FARIS RETURNS

City Clerk A. C. Faris and family have returned from a motor tour to Santa Cruz and other nearby points.

## Governors At National Meet

GOVERNORS who attended national session. They are (left to right) W. G. Conley, West Virginia; Max Gardner, North Carolina; H. F. Byrd, Virginia; C. W. Toby, New Hampshire and John Trumbull, Connecticut. G. H. Dern of Utah, (left insert) who presided at the opening session and F. D. Roosevelt of New York (right insert) who laid before the conference the Wickersham Prohibition views.

## RECORD PLANE BRIAND GROUP 400 HOUR MARK CRASHES, 2 KILLED

MINNEAPOLIS, Minn., July 29.—UP.—In view of a small crowd of spectators watching their attempt to set an endurance flight record, Captain P. L. Crichton, army flier, was killed and his co-pilot, Owen Haugland, was injured fatally today when their plane, "Minnesota," crashed at World-Chamberlain field.

Crichton swooped down and dropped a note asking that the refueling ship bring up 100 gallons of gasoline. With a wave of his hand, the army pilot pointed the nose of his plane upward. Attendants noticed the engine was not gaining proper speed and saw Crichton tugging furiously at the controls. The plane slipped into a spin, and "pan-caked" squarely upon its undercarriage on a concrete roadway.

Crichton was found crumpled at the controls; the engine having been pushed back by the fall and crushed him.

Haugland, who was a flying instructor and owner of the plane, apparently had been sleeping above the gasoline tank when the crash occurred. He was badly crushed and died a few hours later at a hospital without regaining consciousness.

The fliers were up in their 156th hour when the accident took place.

### Xavier Funeral Set For Tomorrow

Funeral services will be held from St. Mark's church tomorrow morning at 9:30 o'clock for Frank Xavier, pioneer Richmond resident who died here Saturday. Interment will be in St. Joseph's cemetery, San Pablo.

### BUILDING PERMIT

Mrs. M. J. Van Horn, was granted a building permit yesterday in the office of A. J. Hurley, city building inspector, to install a skylight in the bathroom of a house on Ohio avenue between Fourth and Fifth streets, R. I. Thompson, is the contractor for the work which will cost \$35.

## U. S., BRITAIN HOLD NAVAL PARLEY

LONDON, July 29.—(U.P.)—A four-man conference at No. 10, Downing street today was believed to have marked another step toward a British-American agreement to limit naval strength.

Prime Minister Ramsey MacDonald and Albert C. Alexander, first lord of the admiralty, represented Great Britain. On the American side were Ambassador Charles G. Dawes and Hugh Gibson, ambassador to Belgium.

A communique was issued after the meeting, saying simply that the naval question had been discussed.

Gibson arrived from Brussels especially to talk with MacDonald before the prime minister leaves for a holiday at his home in Goslemouth. Gibson first laid down President Hoover's yardstick plan for measurement of reductions at Geneva.

Simultaneously with the meeting there were developments in two other important international issues of great interest to the La-

(Continued from Page 1)  
day despite the fact that two of the engine's cylinders showed signs of weakness.

Shortly after they circled over the field at 2:17 p. m., completing their 391st hour, the pilots dropped an aerial salute to the memory of Capt. P. J. Crichton, killed in the crash of his endurance plane Minnesota, at Minneapolis early today.

"Please convey our heartfelt sympathies to the relatives of Pilot Crichton and our hope for quick recovery to Pilot Haugland, pilots who faithfully flew their ship in an attempt to set the world endurance record," their message read.

**4 Fliers Killed**  
The success of the Robin fliers in remaining aloft more than 16 days was contrasted today by two aerial fatalities in which four aviators were killed.

At Minneapolis, Crichton, army flier, was killed instantly and his co-pilot, Owen Haugland was injured fatally. Haugland died in a hospital without regaining consciousness.

In the other crash, George Lea Lambert, 22, son of Major Albert Bond Lambert, millionaire donor of Lambert-St. Louis field, and Harold C. Jones, 19, of New York were injured fatally.

Lambert was piloting the Eagle Rock plane which fell about seven miles from the field over which the Robin is cruising.

Lambert was vice president of the Von Hoffman Aircraft corporation, while Jones was a student flier.

**400th Hour**  
News of the two crashes was conveyed to Jackson and O'Brien who will have passed the 400th hour in the air if still aloft at 11:17 p. m. tonight.

A message dropped from the plane today gave the first intimation that the engine was beginning to show signs of weakness. It advised the refueling air men that two cylinders had been weak "for the last 100 hours."

Officials at Lambert field, however, were not alarmed by the note which was signed "Red" and gave assurance that the fliers hoped to "put-put" for another week.

"Our old motor turns up just as much now as when we took off," the note read. "We know we have a couple cylinders getting weak. Have been that way for the last 100 hours. No. 4 and No. 6 can tell early tonight, but we still fly at 1,350-11,300 revolutions per minute.

"Easy, not using as much gas, a little more oil. The gaskets on the push rods are leaking. Hoping we put-put for another week, regards, 'Red'."

bor government at present.

It was officially confirmed that the international reparations conference will be held at The Hague and Balerien Dovgalesky, Soviet ambassador to Paris, conferred at the Foreign Office on resumption of relations between Russia and Great Britain.

—RAGS WANTED—  
THE RECORD-HERALD

## Services For D. Boswell To Be Held Today

Funeral services will be held here this afternoon at two o'clock for Douglas Boswell, son of Mrs. Frances Boswell of Richmond. Boswell was 39 years of age. He had been engaged in the real estate business in Los Angeles and San Francisco.

Boswell resided in Richmond during his youth and attended school here. His father, the late Fe Boswell, was a pioneer Santa Fe official here.

Deceased leaves a widow, Mrs. Mabel Boswell, a daughter Dorothy, two sons, Douglas, Jr., and Richard; a brother, Harry of Los Angeles, and a sister Mrs. C. F. Osterhaus of San Francisco.

## John Paulsen Pays \$150 Fine

John Paulsen, 301 Macdonald avenue, was fined \$150 when he pleaded guilty to a reduced charge of reckless driving here yesterday before Police Judge C. A. Odell. His driver's license was also suspended for 90 days.

### USE SPECIAL WRENCH

If special wrenches have been provided for certain nuts or bolts always use these in preference to a moveable-jaw wrench, as the latter type has a tendency to round the corners of a nut.

## COUPLE FINED ON RUM COUNT

Donald Davis, 563 South Fifth street and his wife, Mrs. Sophie Davis, pleaded guilty to charges of illegal possession of liquor when they appeared before Police Judge C. A. Odell yesterday. Davis was fined \$500, in lieu of which he will have to spend a day in jail for each dollar of the fine unpaid. His wife received a similar sentence but commitment was withheld on her penalty.

E. P. Howard, of San Pablo creek, alleged by police to have made liquor deliveries to the Davis home, is charged with possession and transportation of liquor and carrying concealed weapons. He is free on \$1000 bail.

When police raided the Davis home late Saturday night, Davis was absent. While they were waiting for him to return, Howard is alleged to have driven up with a quantity of liquor in his car. He was disarmed and taken to the police station.

## Motorist Facing Reckless Charge

John Lamsman, 638 Eighteenth street, will appear before Police Judge J. F. Plank of El Cerrito on Aug. 7 to answer to charges of reckless driving. Lamsman was arrested by Traffic Officer Howard Thullen Sunday night.

## Bandit Robbed Of \$3800 Loot By Unarmed Duo

VANCOUVER, B. C., July 29.—(U.P.)—James Wesley Burke, 27, accused of having robbed the Royal bank at Smithers, B. C. and who has eluded possemen for ten days was in jail at Smithers tonight. Burke carried only \$1,200 of the \$5,000 taken from the bank when he was captured today. He explained to police that last week two men held him up on the outskirts of Smithers and took the other \$3,800. The pair was unarmed but bluffed the bandit, believing they had guns and obtained the money.

Burke was captured last week by a lone rancher but escaped on the way to jail. Today he was found asleep in the bush near Smithers and the Indian trackers who found him took him safely to jail.

One man was accidentally shot to death in the hunt for Burke, William Robertson, explaining the mechanism of a new police revolver to his son, let the weapon fall from his hand. It was discharged and killed him instantly.

## Patterson Returns To Fire Department

J. R. Patterson, operator at the Richmond fire department, who has been ill for several days, has returned to his post.

## STAY GRANTED TO FOLSOM RIOTERS

SAN FRANCISCO, July 29.—(U.P.)—Five convicts of Folsom state prison, who engaged in the prison riot on Thanksgiving day in 1927 and were later convicted for murders committed at that time, were granted stays of execution for 60 days here today.

The orders to delay the executions were issued by Chief Justice William H. Waste of the state supreme court after he had been assured by an attorney for the prisoners that an appeal would be filed with the United States supreme court on the basis of new evidence.

Action of the justice was not expected. Three of the men had been ordered to mount the gallows of Folsom prison on Aug. 9 and the other two on Aug. 16. The condemned men are Anthony Brown, Roy Stokes, Walter Burke, James Gregg and James Gleason.

They were convicted for the killing of two men during the riot. An appeal to the state supreme court for a new trial and another petition for a writ of error were denied several weeks ago.

**BORN of the SPEEDWAY**  
...motor's greatest proving ground!

FOR MANY years Richfield gasoline has figured prominently in speedway victories and other great motor events of the country where it has been the exclusive choice of the world's greatest pilots, men who know gasoline and have the choice of every kind made.

It is here in these gruelling competitive events that great motor improvements originate and are tested... and out of this experience, Richfield has developed a finer gasoline for high compression motors... a gasoline that is faster, more powerful, more responsive and more efficient than any other present day motor fuel.

To this new Richfield has been added ETHYL fluid, the only genuine anti-knock compound. The result is a super fuel that gives super results in every type of motor... the finest gasoline you have ever tried in your car.

Try Richfield-Ethyl today for a real racing thrill.... at every station where you see the blue and gold Richfield-Ethyl pump.

## NET STAR BACK FROM LONE JOURNEY

HAVRE, FRANCE, July 29.—(U.P.)—Alain Gerbault, a strange mixture of poet and athlete who started out alone on a boat ride six years ago, has come home to France and was handed the keys of the city amid a wild tooting of ship sirens in the harbor and a vigorous waving of flags on shore.

In the interval between Gerbault's departure in a 30-foot sloop from Marseilles in 1923 and his arrival here, the former tanking French tennis player has covered some 30,000 miles in sailing around the world. He has also won the name of the Hermit of the Seven Seas and afforded the opportunity for Frenchmen to build up a romantic little legend about his adventures.

The legend, which seems to have its roots in rumors circulated in Paris cafes, concerns Suzanne Lenglen, the noted French tennis player, who often matched her skill with Gerbault in the day when he was challenging the best in the game.

It was "Lone" Gerbault who in love with the flashing tennis star but who would not promise to marry him. As a result the young Frenchman resolved on his lonely voyage around the world and it was said he intended to renew his suit when he returned.

His return this evening was a great occasion for Havre and the of France was deeply interested. Hundreds of persons lined the docks waiting for his little sloop—the *Yole Croci*—to come to port.

**VISITED AFRICA**  
Gerbault started his lone voyage from Marseilles. He struck out across the Atlantic, through rough seas and storms to New York. He repeated his boat trip and continued to Panama and eventually to the South Sea, New Zealand, Australia and the Indian Ocean.

From there he went around the African cape. At Durban, he met the French tennis stars, Borotra, Brugnon and Boussus, on a tour and played matches with them. Following the Coast of Africa up to the Cape Verde Islands, Gerbault encountered a fierce storm which damaged his sloop and gave him a long rest. He wrote the story of his voyage at Cape Verde.

Continuing towards France, he again met storms and was blown off his course. Touching at the Azores Islands before finally making the last long lap of his trip to France—and a hero's welcome.

## HELEN WILLS TO RETURN TO STATE

NEW YORK, July 29.—(U.P.)—Helen Wills, America's queen of the tennis world, has returned home after another successful invasion of Europe.

The quiet California girl, whose racket has brought her almost every honor the game of tennis can offer, returned to the United States on the liner Aquitania, exuding enthusiasm and with plans for further conquests on this side of the Atlantic.

Miss Wills talked freely on subjects pertaining to tennis, but was more reticent regarding the love that interested her questioners most, her impending marriage to Frederick S. Moody, in California.

**Date Not Set**  
"We haven't made any definite plans," she said when asked about the probable date of the wedding. "But you may say that it will not be before Christmas." Her marriage will not mean the end of her competitive career, she was sure. Married or single, she expects to continue her playing until the game bores her.

**No Plans**  
"I have to plan for next year. In fact, I have given the future very little thought. It will probably be several months before I decide to return to the defense of my Wimbledon title and other honors I won on this trip."

Miss Wills won the All-England women's championships at Wimbledon for the third time this year, and became the first American born girl ever to accomplish the feat.

Her first competition on this side of the ocean will be in the Meadow Club invitation tournament, at Longhams, L. I., after that she will go to Forest Hills to lead the American Women's team in its challenge for the Wightman Cup, now held by Great Britain. The first play will start Aug. 2, continuing for three days. The second starts Aug. 8.

## Fish, Game Patrol Boat Overhauled

TERMINAL ISLAND, July 24.—The patrol boat "Albacore," operated by the Commercial Fisheries Bureau of the Division of Fish and Game, has just come off the ways where she has been undergoing the semi-annual overhauling. With Capt. Walter Engle in charge, the "Albacore" is now on ocean patrol in waters south of San Pedro.

Before going to drydock the patrol boat completed a week's cruise with members of the laboratory staff of the division here on board. The laboratory men were seeking mackerel and sardines to study the habits, size, and migrations of the fish.

The automobile fatality list for

## SPEED BOAT CUP CHALLENGER LAUNCHED

LOS ANGELES, July 29.—When "Miss Los Angeles II," Jim Talbot's swift new hydroplane, just launched here, slips into the water at Detroit on Aug. 31 to battle for America and the Harmsworth Trophy, its two 24-cylinder engines, each 1000 horsepower, will be humming. "California Here We Come."

For the huge hydroplane, biggest and fastest ever built in the west, is practically 100 percent a Californian.

Listen to this:

Owner: Jim Talbot Jr., famous young California sportsman whose speed boats have brought international fame to the Golden State. Builder: Hugh M. Angelman, who designed and built the craft at his Wilmington, Calif., boat works.

Engine maker: Harry A. Miller, whose California created power plants in racing cars and speed boats have proved the fastest ever constructed at home or abroad.

Pilot: Ralph Snoddy, native Californian, whose many speed boat victories were climaxed early this summer when he capped the Duke of York trophy on the Thames with another of Talbot's speed creations.

Power: Richfield "Gasoline of Power," the high speed California born fluid which has become internationally famous for its victories on the water, on highways and speedways, and in the air.

Even the oil, Richlube, with which the fast boat will be lubricated, though a Pennsylvania product, is distributed by Richfield. And when "Miss Los Angeles II" was formally launched recently, it was California made Silver Fizz used in christening to blend, and how, against the crowd.

"Miss Los Angeles II," according to Harry Miller, fast enough to challenge Gar Wood's record of 93 miles an hour. Preliminary tests have shown that the boat, without special tuning, can better the 80 mile an hour mark, according to Pilot Snoddy.

Thus, while interest will center in the contests at Los Angeles, the series between Los Angeles and the Missions starting here Tuesday will also attract exceptional attention.

Sectional rivalry that will bring excitement will be noticeable in the games between Seattle and Portland in the Rye City.

Sacramento will play at Oakland and in the other series.

## Two New Fish Canneries To Be Started

LOS ANGELES, July 29.—Two new fish canneries will soon start operating in the southern California district, according to information furnished the Terminal Island office of the Commercial Fisheries Bureau of the Division of Fish and Game.

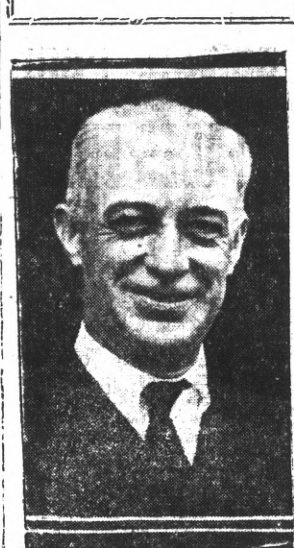

One will operate at Newport where W. I. Turk, former president of the Southern California Fish company and Ben Nicholson, formerly superintendent for Turk have taken over a plant that was operated during the war.

It is planned to can mackerel, sardines and all fish that can be secured for canning.

At Huemene in Ventura county Herbert Stafford, formerly of the Stafford Packing company of Wilmington, will start operations soon. Stafford has moved the canning and fertilizer plant from Wilmington to Huemene and will can mackerel, sardines, albacore and hump, it is stated.

California, for the first three months of 1929, disclosed a total of 529 deaths, according to a report of the Division of Motor Vehicles.

## Will Sail New Cup Defender

GEORGE NICHOLS, of New York, who has been selected to sail one of the boats in the Sir Thomas Lipton cup contest.

## OAKS TO PLAY SACRAMENTO TODAY

SAN FRANCISCO, July 29.—(U.P.)—The most important series since the second half of the Pacific Coast league season opened four weeks ago will be played this week at Los Angeles between the league-leading San Francisco Seals and the Hollywood Sheiks, in second place.

The Seals are only two games ahead of Hollywood, the Los Angeles series between Los Angeles and the Missions starting here Tuesday will also attract exceptional attention.

Sectional rivalry that will bring excitement will be noticeable in the games between Seattle and Portland in the Rye City.

## San Pablo Nine Beats Linkers

The San Pablans Sunday walked the Odd Fellows ball team by a score of 15 to 0 at the San Pabl ball park. Johnny Babich started for the losers and Carl Kamb finished. Peacock pitched for the winners.

Line score and summary: San Pablo 5 4 1 1 0 0 3 x-15 Hits 3 4 1 2 1 2 3 x-18 I. O. O. F. 0 0 0 0 0 0 0-1 Hits 0 1 0 0 1 0 1-4 Batteries: Peacock and Kogler, Muth; Babich, Kamb and San Miguel.

Summary: Struck out: By Kamb 9, by Peacock 8, by Babich 1; Walked by Peacock 4, by Kamb 4, by Babich 1; Hit by pitcher, Mather, C. Pinto. Doubles: Murphy (2), Peacock (2), Gray, Bolton, Graham, Art Muth, Empire, Cabral, Singers; Murphy 4 out of 4; Gregory 2 out of 2; Wickes 2 out of 2; J. Pinto 3 out of 5; Peacock 3 out of 4.

## GAME FARM TO BE OPENED SOON

LOS ANGELES, July 29.—It won't be long now! With the mammoth seven acre cage that will house various kinds of game birds practically completed a few miles from China and the buildings for housing employees, incubators and supplies well on their way to the finished product, the southern California game farm will soon be in full operation.

A visit to the new game farm showed that great work has been done at that place. Located adjoining the beautiful Los Serranos Country Club about four miles from the city of China, in what has been termed ideal pheasant territory, the new plant being made ready for the Division of Fish and Game will take care of the needs of southern California. As its capacity will be the same as the first game farm at Yountville in the Napa valley.

New steel construction has been used in building the pens that will house the birds, and the home of the breeding birds and the young chicks will be as modern and sanitary as human ingenuity can make it.

Within six weeks it is expected the workmen will gather up their tools and turn the place over to August Bade, the superintendent of game farms, who will immediately place the necessary breeding stock to start things off right.

In addition to the famous ring neck pheasant, which has been liberated in large numbers in the state in carefully selected areas in the past three years, mountain and valley quail, wild turkeys and Hungarian partridges will be propagated in southern California to in due time gladden the hearts of southern California sportsmen.

Propagation under Bade has been highly successful at Yountville, and the superintendent has voiced his enthusiasm over the prospects in the south.

The plant here will be under Bade's supervision and competent trained bird men will be stationed here to see that the record made at Yountville is equalled if not bettered, Bade insists.

## New Methods Of Cleaning Fish Found

MONTREY, July 29.—That old wheeze about being able to tell a fish's age by the scales on his back is due to be dumped into the discard, if the brand new method of bringing fish into a cannery that has been developed here by one of the leading packers of sardines works as it should.

Sardines will be brought into the cannery from the fishing boats through an eight inch pipe by suction, a smaller pipe furnishing the air and a powerful pump supplying the motive power.

The centrifugal force of the salt water driving the fish through the pipe will remove the scales and when the sardines arrive in the cannery they will be ready for washing, cutting and putting in cans.

Thus the scales will be dropped, the fish will come in "clean" as far as outer raiment is concerned, time will be saved, fish will be saved and the expense of a scaling machine will be eliminated.

A suction system of this exact type has never been used before, but exhaustive tests have shown that it works, and that it will provide for greater efficiency and speed in the canning of sardines.

**FONG WAN HERBS SPECIAL-IST** COMPOUNDED RELIEVE MANY AILMENTS AT ONCE.

Richmond, Cal.  
June 30, 1928.

For years I had terrible pains in my right side. I also had liver and gall bladder trouble, which caused the pain to run clear around my back. All the heaters whom I consulted said that I could not be helped unless an operation was performed.

Herbalist Fong Wan being aware that many of my friends had been greatly benefited by the Fong Wan herbs, I began to take them. I drank the tea conscientiously for seven weeks, at the end of which time I felt that my relief was complete. Now I have the added satisfaction of knowing that it is also permanent, for a year has elapsed and I am still free from pain and feel splendid.

## STREET WORK ORDERED BY EL CERRITO

Resolution of intention for the improvement of portions of Avenida and Junction avenues, Center street and Richmond and Key boulevards in the Richmond Junction Heights tract was passed by the council of El Cerrito at its meeting Monday night.

Time of protest was set for Monday Aug. 19, at 8:30 p. m.

City Clerk Alice Morris informed the council that the new system of house numbering was nearly completed and that any one who wanted his correct house number should apply at the city clerk's office.

Engineer O. A. Burnett of the fire department was granted a two week's vacation starting from the time that Fire Chief Arthur Byrd returns from his vacation.

As no protests were received the council confirmed the assessments on the improvement of Clayton and Albemarle streets.

On the recommendation of Chief of Police R. R. Check a soft drink permit was issued to Sam Mitchell for an establishment on Cutting boulevard near San Pablo avenue.

City Treasurer Cora J. M. Simonson was granted a two week's vacation starting Aug. 15.

Police Judge J. F. Plank was granted a two weeks vacation starting Aug. 1 and the council appointed Fire Chief Arthur Byrd to act as police judge during Plank's absence.

Request of the Bay Barrier association for the city to provide an appropriation in its next budget for funds to carry on educational campaign for a fresh water barrier before the next meeting of the state legislature two years from now was laid over for further consideration.

## Efficient Yeggs Loot L. A. Bank

LOS ANGELES, July 29.—UP—Two "efficiency" bandits who worked as though they had carefully rehearsed their parts, held up the Forty-fifth avenue and Western branch of the Security Trust and Savings bank today, escaping with \$2600 in currency.

The men drove up to the bank before closing and sauntered into the building. When each had taken his position, one shouted to Teller Claude R. Cox, "give me all you've got and the less you say the better." The retreat of the bandit who took the money was covered perfectly by his companion, who ran to join him.

## RICHMOND BAND TO PRESENT CONCERT

The weekly concert of the Richmond Municipal band will be presented at the West Side bandstand Thursday night, according to William S. Darrell, manager.

The program, which will be under the direction of A. A. Hart, will be as follows:

March "The Post, Peasant and Light Cavalryman" ... Fillmore  
Overture "Daughter of the Regiment" ... Donizetti  
Waltzes, "Flower of Love" ... Foytrot, "Walking with Susie" ... Contrad, Mitchell and Götter  
Selection, "The Queen's Lace Handkerchief" ... Boettger  
Comedy sketch "The Old Gray Mare" (Clemens) ... The old gray mare, feeling her oats, cavorts right merrily until her age compels her to slow up, but getting her second wind she starts to gallop but again age causes her to halt and snort her indignation and kick against her condition, after being admonished for her coltish behavior.  
Selection "Blossoms of 1884" (Boettger) ... An arrangement of popular melodies of forty five years ago.  
March, "Fourth Regiment Band" ... Star Spangle d'Banner.

## FRENCH READY TO HALT RED MOVES

PARIS, July 29.—UP—France, as well as most of the countries of Europe, is taking far-reaching "precautionary" measures to insure against Communist demonstrations on Aug. 1—the day set for world-wide "anti-war" meetings by members of the Third International.

Several hundred arrests have been made in Paris and other French towns. Perfect of Police Chippie is holding about 22,000 policemen as well as reserve troops.

Meanwhile, Communist groups and newspapers are vigorously protesting the government's action. The newspaper L'Humanite asserted that 150 Communists were imprisoned without sufficient reason at Saint Lazare and in the juvenile prison Petite Roquette. All were alleged to have been conspirators in a recent Communist plot. They have strided a hunger strike and other prisoners are joining them.

Arrests have been continued, however, and Andre Tardieu, minister of the interior, has taken various steps to prevent danger of disorders. He induced many organizations, including the Regional committee of Confederated Building workers, to advise their members to continue work and take no part in the proposed demonstrations.

Reports published here from various other European capitals indicate that authorities are taking similar precautions. Police in Jugoslav yesterday killed three Communists who resisted arrest. Moscow undoubtedly will be the center of the proposed demonstrations.

## AT HOTEL CARQUEZ

Arrivals at the Hotel Carquez yesterday were E. W. Richard, J. W. Wilson and C. D. Brockett of Fresno; F. W. Kulka and Jerome Freeman of Fargo, N. D. and Lieut. M. L. Hunt of Sacramento.

## VAGRANT SENTENCED

G. Hernandez was sentenced to serve six months in the county jail on a vagrancy charge by Police Judge C. A. Odell yesterday.

## CHINESE, REDS TO CONFER ON DISPUTE

HARBIN, Manchuria, July 29.—(UP)—Chinese representatives left here tonight for the western border of Manchuria to meet Soviet officials Tuesday night for a conference designed to settle the Chinese-Russian conflict.

Three private railroad cars bearing the Chinese emissaries started for Manchuria, the western border point on the Chinese Eastern railway, seizure of which by the Chinese raised the threat of war with the Soviet.

The Chinese representatives are scheduled to meet Consul General Melnikoff of Russia, at Manchuria. It was said that the palace car on the special Chinese train would be used for the conference.

Manchuria is a small town which has been the center of much of the warlike activity of both Russia and China. The Chinese started the present crisis with Russia by seizing the Chinese Eastern railway, which runs through the heart of the potentially wealthy Manchurian states. Soviet officials and citizens were arrested or expelled on charges of Communist activity.

The railroad had been under joint control of the Soviet and China since 1924 and the Soviet demanded that it be returned to that status before negotiations are undertaken.

## PEACEFUL SETTLEMENT OF DISPUTE SEEN

SHANGHAI, July 29.—(UP)—The general belief in official and unofficial circles that peaceful settlement of the Russia-Chinese conflict in Manchuria will be arranged shortly was further strengthened today by reports from the frontier.

The Chinese forces near Manchuria, on the western border of Manchuria, have withdrawn their first lines pursuant to instructions from the National government of China. It was understood that the Soviet forces had done likewise, thus creating a 20 mile "safety zone" between the border troops.

This safety zone, it is believed, will do much to prevent the danger of a sudden flare-up which might result in a real war.

The public did not appear to have calmed down completely, and the local Kuomintang (National Political Society) members staged and anti-Soviet mass meeting, ordering factories to give their workers a holiday with full pay.

The official silence from Moscow was interpreted as indicating that Soviet officials are adhering to the terms of their ultimatum to China, in which they demanded the release of arrested Soviet officials and citizens in Manchuria and restoration of joint control of the railroad as prerequisites to negotiations.

Chinese trade, especially in tea, is expected to be severely effected through continued closure of the border.

## Crash Victim Reported Better

Donald Williams, 18, 127 Sixth street, was reported to be improving at his home. He is recovering from serious injuries suffered in an automobile accident in Oakland early Saturday morning, which claimed the life of Miss Hazel Charlesworth of Sacramento.

Williams was unable to recognize any of his relatives until yesterday, due to brain concussion suffered in the crash.

THE RECORD-HERALD

## NATATORIUM OF CITY SHOWS PROFIT

(Continued from page 1)  
amounting to \$150,338.94, made up as follows: Land \$582.37, building \$108,458.39, equipment \$23,550.35, furniture and fixtures \$2,300.79, sidewalks and grounds \$2,598.12, salt water main \$8,069.58, well casing \$4,035.22, electric sign \$944.12.

The money for this outlay came from sale of bonds \$89,457, sale of pipe from well \$125, and from the general fund \$60,756.94. The report shows that the natatorium is 100x200 feet, containing a plunge 60x160 feet, holding 365,000 gallons of water. The depth of the pool ranges from two and a half feet to nine feet.

## Water Filtered

The composition of the water is half salt and half fresh. It is treated with chlorine, alum, soda ash, and copper sulphate and passes through two pressure filters at a rate of 60,000 gallons per hour. The filters are operated continuously, day and night, except on closing day each week. The excellent condition in which the water is kept is best illustrated by an excerpt from a report of the State Board of Health which says: "All of you deserve great credit for such a showing. The pool was far safer than most drinking waters."

The following accommodations for bathers are provided: Women's section, 130 dressing rooms, and a hair drying room equipped with four electric hair dryers; men's section, 89 dressing rooms and 284 lockers. In each section there are three tubs for hot salt, or fresh water baths.

Annual Overhauling  
All of the equipment of the natatorium, which includes filters, water heaters, boilers, pumps and chemical tanks, is completely overhauled during the shut-down period of about three months each year.

The city manager also has the following to say:

"The principal maintenance problem we have to contend with is the protection of the structural steel and hardware with a paint that will prevent rust and corrosion caused by vapor rising from the warm salt water of the plunge which has been treated with chlorine. The vapor condensing on the steel and depositing acidic corrosive salts. We believe we are overcoming this difficulty, as the paint we are now using seems to be very satisfactory, and from now on the expense of painting will be considerably less than heretofore. However, in order to keep the natatorium attractive in appearance and to prevent oxidation of the paint now protecting the steel and the whole interior of the building should have one coat of paint each year."

A \$1.25 to Rid Your Home of  
Moths May Save You Hun-  
dreds of Dollars.

## MORTEMOTH KILLS MOTHS

The gas from Mortemoth crystals not only protects your furniture for a long time, but contact with it kills all moths, their eggs and their dangerous larvae in furniture which is already infested.

The proper method of using Mortemoth crystals is to tie them in small sacks, and to place these sacks down in the channel of the piece, as deeply as possible, behind the cushions, so that, upon expansion, the gas will spread and fill the spring units in the back and in the bottom of the piece.

When the sacks are empty, fill them again.

PRICE \$1.25 PER BOTTLE

## Last Of Famous Trees Cut Down

MILWAUKEE, Ore., July 29.—UP—Workmen have cut down the last of the famous Bing cherry trees planted here by Seth Lewelling in 1848 on his fruit farm, which is now part of Milwaukee's business district.

The trees were brought here from Ohio by ox team and were the forerunners of the famous Bing cherry, so named after the Chinese servant of Lewelling's. They bore fruit for 75 years.

## Hiram Jacobs Ill At Home

Hiram Jacobs, local attorney, is reported to be recovering at his home, 1226 Roosevelt avenue, from the effects of a nervous breakdown. Jacobs was at the El Reposa sanitarium in Berkeley for several days.

## OREGON PLANS DRIVE FOR SETTLERS

SALEM, Ore., July 29.—(UP)—Suggestions were heard here today for the expenditure of \$25,000 appropriated by the 1929 session of the Legislature for attracting settlers to Oregon.

Representatives of the State chamber of Commerce and various civic and commercial organizations were present at the informal discussions which took place at the meeting which was called by W. G. Ide, manager of the State Chamber of Commerce. A national advertising campaign in farm journals was one of the suggestions advanced. It was pointed out that the money cannot be used to attract "tourists" but must be used to encourage permanent residents to settle in the state.
